2010 SHRIMP DINNER A HUGE SUCCESS

On Sunday, November 7, we served 841 guests at our 29th Annual Shrimp Dinner, up from 792, the year before. Treasurer Jack Smid reported that the revenue from the event is close to \$8400, very close to that of last year. The Silent Auction proceeds were also very close to those of last year at roughly \$2700. Congratulations to Mike Hayden and his committee on a job well done. We added a few changes this year, especially in the food items, including chicken rice soup, potato wedges and additions at the salad bar.

Many positive comments were made on the addition of the soup. A few changes once in a while add a little flavor to the event.

Appreciation should be given to Glenn's Market, St. Paul's Lutheran Church, our key sponsors WaterStone Bank and First Bank Financial Centre, all our contributors or donors to the Silent Auction, placemats, shrimp dinner food, materials and desserts. Thank you, too, for additional help from the church custodian, and the Oconomowoc High School Robotics and FFA Clubs. Thank you to the Shrimp Dinner Committee for all

their extra time in planning, the many crew leaders that stepped up to lead and organize, but most important **ALL OUR GREAT MEMBERS, SPOUSES, FAMILY AND FRIENDS** who came for a full day to help with our event.

...Andy Wagner, Shrimp Dinner Chairman
AGAIN THANK YOU

COLLECTING ALUMINUM CANS FOR OCONOMOWOC HIGH SCHOOL ROBOTICS TEAM

Jerry is collecting aluminum cans to be given to the Robotics Team at Oconomowoc High School. The team has been invited to breakfast on January 26th when we give them whatever is collected.

Welcome
to new member, Bob Prunty

Bob shared the following
background---

I was born and raised in Michigan. In 1976 I moved to Wisconsin to take a marketing position with a major insurance company. I spent over 25 years with that company, taking management positions in Indiana, Colorado, Minnesota and Wisconsin. After an early retirement I purchased an insurance agency that I owned for 12 years. Since my second retirement, I have enjoyed playing golf, volunteering and spending time at our condo in Florida. Debbie, my wife of 31 years, is a teacher in the Oconomowoc Area School District. Our son, John, 21, is a student at WCTC.
