*Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.*

## **KIWANIS KIDS**

Under the leadership of President Liz Bednar, our breakfast club is now affiliated with a group of children at Cushing Elementary School, a national blue ribbon school of excellence, in Delafield. A new **Kiwanis Kids** Club has been established.

Kiwanis Kids, with more than 33,000 members, is a service leadership program for primary school students. K-Kids provides students with opportunities to work together on service projects, to develop leadership potential and to create moral character.

K-Kids is a “student-led” community organization, which operates under school regulations and draws its members from the student body. K-Kids clubs can also be established in a community-based organization. Such organizations might include, but are not limited to the following: community library, Boys’ Club, Girls’ Club, YMCA, YWCA, or a church. K-Kids is unique because it’s sponsored by a local Kiwanis club, composed of leading business and professional people of the community.

## **Service and Fundraising**

This year, K-Kids raised more than \$30,000 for UNICEF through organizing various fundraisers. Other K-Kids service projects include such activities as organizing clothing, book, food and recycling drives; planning teacher appreciation events; creating greeting cards for nursing home residents, making sew-free blankets for children’s hospital patients and making picture books for kindergarten students.

## **A REMINDER**

If you were at the breakfast meeting on Wednesday, October 13<sup>th</sup>, you would have participated in John's "Who You Are is Where You Were When" activity. John wants to remind all of us to contact those individuals who were on our Board of Director's list, especially those persons who, for some reason, may need a "life" in his or her life.

Andy Wagner, Shrimp Dinner Chairperson, has reminded us that spouses and other volunteers are welcome to help with the dinner. Please let Andy know if you will be bringing extra people so we can assign them to a task that might need extra hands.

## **MERRY MADISON Tuesday December 14, 2010**

**Carolyn Crom has made arrangements for anyone wishing to take advantage of this special tour to Madison.**

We'll start our day with a visit to Olbrich Botanical Gardens for the Holiday Express. Members of the Garden Railway Society come from all over the state to show off their large-scale model trains during this event. Add hundreds of holiday flowers and decorations for a holiday wonderland. You'll also want to visit the Bolz Conservatory, a sunny 50-foot high glass pyramid that houses a diverse collection of tropical plants, a rushing waterfall, free-flying birds, and blooming orchids. Temperatures in the Conservatory range from 65 degrees to 95 degrees Fahrenheit year-round, making this a truly tropical escape. You'll learn all sorts of interesting tidbits during a guided driving tour of the University of Wisconsin-Madison, as well as have an opportunity to treat yourself to ice cream made right here on the campus at Babcock Hall. You'll enjoy an early, delicious home made "supper" at historic Quivey's Grove. Finally, we will drive through the 21<sup>st</sup> annual Fantasy of Lights featuring the animated holiday lights display at Olin-Turville Park. It's just the thing to get you into the holiday spirit.

The picture shows the recent presentation of a check for \$2000.00 presented to Leslie Boettcher, a Board member of the Oconomowoc Food Pantry. Through the efforts of member Steve Schmiedlin (far right), ten donations canisters are placed in various locations around town. Steve then periodically collects the money raised. Also shown is Andy Wagner, stepping in for President Liz Bednar that morning.

In recognition of their volunteer efforts in support of the community, representatives from three local agencies were at a recent breakfast meeting to accept free tickets to the upcoming shrimp dinner for their volunteer workers. Representatives from the Lake Area Free Clinic, AngelsGrace Hospice, and the Oconomowoc Food Pantry, as well as a representative from WaterStone Bank that paid for the volunteer dinners, were present. Also pictured are members Andy Wagner, Shrimp Dinner Coordinator and Kathy Kaempf, Ticket Coordinator.

At the recent Chapter Anniversary Party, Jerry purchased a bottle of wine for \$50 – on condition that it be served to him and his wife Sue. Pictured also are Andy and his wife Carol. Making good on the bet.

...and then there's President Liz out the same evening – anything for a glass of wine!!
